Dear Mr Weisberg

I want to thank you very much for sending me your works. Although I haven't got through them all as yet - they are truly amazing. And so old is the info! You have answered many questions I still thought unanswered — I wish I had had access to your work seven years ago when I started in this — tho' its been "fun", trying to find out for myself. As you say in the preface of Whitewash II, this "minor incident" in our lives causes a lot of pain & lost sleeping time ... I feel its worth it, tho we have lve "lost" ... tho' I don't

think my sacrifice has been as great as your own.

Anyway, I hope there is more work & books in the pipeline & I also hope you & your wife are well.

Thanks for your time, Mr Weisberg.
Take Care.
